QUOTE TERMS AND CONDITIONS

Unless you have a written master purchase agreement in effect with PC Connection, Inc., PC Connection Sales Corporation, MoreDirect, Inc., or GovConnection, Inc. (each doing business as Connection), that expressly governs this transaction, all orders are governed by Connection s Terms and Conditions of Sale available at: https://www.govconnection.com/content/about/legal/terms-and-conditions-sale (the Agreement), which are incorporated by reference as if fully set forth in this Quote.

Some products and services sold by Connection come with end user license agreements (EULAs) from the original manufacturer or service provider (OEM), as well as certain required reseller pass-through terms that Connection must provide or enforce. These terms may be shared with you either by the OEM or by Connection. For your convenience, applicable terms for certain products are available here: https://www.govconnection.com/content/about/legal/oem-cloud-software-mandatory-end-customer-notice . Please review this page to see whether any of the products you are purchasing are listed. These terms apply in addition to this Agreement or any applicable master purchase agreement.

Most license and subscription products renew automatically under OEM terms. You are responsible for timely cancellation as required by the OEM. Cancellation and refund rights are governed by OEM terms, and some products or services may be non-cancellable and non-refundable once ordered, activated, or renewed. You remain responsible for any non-cancellable or non-refundable charges.

By placing an order in response to this Quote or using the products or services described, you agree to the Agreement (if no master purchase agreement applies) and all OEM and pass-through terms. No signature is required. Any additional or different customer terms are rejected. If you do not agree, do not place an order or use the products or services.

Pricing and availability are subject to change prior to shipment (in the case of equipment) or delivery (in the case of software). Connection reserves the right, prior to shipment or delivery, to adjust pricing or cancel any order for any reason, including manufacturer price increases, allocation changes, tariffs, exchange rate fluctuations, supply constraints, or other factors beyond Connection s reasonable control. Orders are not binding until shipment or delivery.
