Broker AGREEMENT

Broker Agreement

THIS AGREEMENT is made on 2024 (the "Effective Date")

BETWEEN

(1) **SMARTESTENERGY US LLC, a Delaware limited liability company** ("**SEUS**"); and

(2) [Company] **with a primary business address of** [Company Address] ("**Broker"**").

each a "**Party**" and together the "**Parties**".

WHEREAS:

(A) SEUS is engaged in the business of providing retail electric services to consumers ("SEUS Customers") located within the regions and/or markets where SEUS is licensed to operate; and

(B) From time to time, SEUS may enter into agreements with SEUS Customers for the supply of energy, capacity, ancillary and/or other related services (the "Products"); and

(C) Broker has a representation relationship with potential customers (each, a "Customer") which are interested in receiving a bid from SEUS to sell one or more Products; and

(D) SEUS and Broker wish to set forth certain understandings regarding the remittance service SEUS will provide to Broker and each Customer, in the event SEUS wins the competitive bidding and executes an electricity sales agreement (a "Customer Agreement") with such Customer.

NOW IT IS HEREBY AGREED as follows:

1. Appointment and Term

1.1 Broker is appointed by SEUS on a non-exclusive basis to introduce potential Customers and in so doing, shall provide information as requested by SEUS including, but not limited to, Customer names, addresses, utility account numbers, authorization documentation, and details of any exclusive relationship.

1.2 On receipt of such information, SEUS may price as requested and provide Broker with a bid to sell Products to the relevant Customer.

1.3 Introduction or receipt of information in line with paragraph 1.1 in no way obligates SEUS to bid to sell electricity

and the decision to offer or execute any Customer Agreement is at the sole discretion of SEUS.

1.4 Broker shall not renew, enroll, or re-enroll Customer's accounts without Customer's authorization.

1.5 If Broker is successful in facilitating a Customer Agreement, Broker will be eligible to earn payment in respect of their services ("Commission").

1.6 Either Party may terminate this Agreement by providing 30 days written notice. Any previous customer deals that have received a Confirmation will be paid Commission for the term of that Customer Agreement.

2. <u>Commission Payments</u>

2.1 Upon execution of a Customer Agreement SEUS shall provide to Broker a confirmation specific to that Customer Agreement ("Booking Confirmation") setting out the amount of any Commission payable and whether payment shall be made monthly through the term of the Customer Agreement ("Monthly") or in advance for each twelve (12) month period ("Annual Upfront").

2.2 Monthly Commission shall be paid in accordance with the following:

(a) For Customers billed under utility purchase of receivables programs with guaranteed payment, SEUS shall remit Commission by the twenty-fifth day of each month after the month of Customer's invoice.

(b) For Customers billed directly or billed under utility purchase of receivables programs with no guarantee, SEUS shall remit Commission on the twenty-fifth day of each month after the month that such Customer makes payment. If Customer fails to pay any outstanding balance in full, SEUS may withhold remittance of Commission to Broker.

(c) If the twenty-fifth day of the month is not a Business Day, payment shall be made on the next Business Day. For purposes of this Agreement, "Business Day" shall mean any day on which federally chartered banks in New York are open for business.

2.3 Annual Upfront Commission shall be paid in accordance with the following:

(a) Commission will be remitted annually in a payment representing the forthcoming twelve (12) months of a Customer Agreement.

(b) Payments shall be calculated using anticipated consumption for the relevant twelve (12) month period set forth in that Customer Agreement, discounted at a rate specified in the Broker Confirmation, which may change from time to time. Where Customer Agreement does not provide anticipated consumption SEUS's consumption forecast shall be used.

(c) The initial Commission payment in respect of the first twelve (12) months of a Customer Agreement will be

remitted within forty-five (45) days after SEUS successfully enrolls the Customer. Where applicable, future Commission will be paid on or about each anniversary of the Customer Agreement.

(d) Annual Upfront payment remittances are subject to a claw-back from Broker in the event of a Customer non-payment or an event of default that results in termination of the Customer Agreement. At SEUS's sole discretion, any such claw-back amount(s) will be deducted from future Commission remittances to the extent possible. SEUS will provide notice to Broker in the event of a claw-back.

(e) Annual volume reconciliations (actual usage vs forecasted), if any, will be trued up on an annual basis. A one-time true-up payment will be made to the Broker if customer uses more volume than originally forecasted, or to SEUS if the customer uses less than originally forecasted If a payment is due to SEUS, SEUS will attempt to deduct such amount from future Commission remittances to the extent possible.

(f) Annual Upfront payments in excess of $100,000.00 are subject to additional approval by SEUS before remittance. If not approved, payments will be made in monthly installments.

(g) Only Brokers having BB- or better credit rating from Standard and Poor's ratings service or acknowledged as creditworthy by SEUS Credit Team are eligible for Annual Upfront Commission.

(h) Annual Upfront Commission is available at the sole discretion of SEUS. SEUS shall have the right to suspend or terminate any previously approved Annual Upfront Commission, in which case Commission shall be paid Monthly in accordance with paragraph 2.2 following only, the point at which Customer has paid to SEUS all outstanding Commission.
