AFFIDAVIT OF HANANE ATTAIKI

1. My name is Hanane Attaiki. My business address is 180 Marsh Hill Road, Orange, Connecticut. I am currently the Manager of Pricing and Analysis for The Southern Connecticut Gas Company ("SCG") and the Connecticut Natural Gas Corporation ("CNG" and collectively with SCG, the "Companies"). I am over the age of eighteen years and understand the obligations of making statements under oath.

2. I am familiar with the Companies' annual filing related to the purchased gas adjustment clause charges in the above-reference proceeding (hereinafter the "Annual Filing").

3. I hereby state that the information contained in certain portions of the Annual Filing is either customer information (of which the disclosure which would reveal personal confidential information concerning the customer's purchases and pricing) or confidential and proprietary information of the Companies (disclosure of which would reveal sensitive financial, cost and market information which is not publicly available and would be harmful to the Companies).

4. Specifically, the information in the Annual Filing, for which the Companies seek the Protective Order, includes the actual invoices for gas supplied (the "Confidential Information"). The Confidential Information should not be publicly disclosed because it is not publicly available, it has commercial value and is proprietary information concerning both sensitive and detailed cost and market information, the disclosure of which would be commercially harmful.

5. In addition, Confidential Information contain the prices specific customers pay for gas, information which is also proprietary to those customers. As such, even if the information were

not proprietary to the Companies, which it is, the detailed price information with respect to each customer contained in its actual invoice should not be disclosed publicly without the written consent of each such customer.

6. To the best of my knowledge, such information has not been disclosed or released to the public and the Companies have used their best efforts to keep and maintain such information secret. Further, in my judgment, disclosure of this information in this forum might require further public disclosure.

7. I have been advised by the Companies' legal counsel that neither federal nor Connecticut statutes require this Confidential Information to be filed in the public record.
