Re: Docket No. 26-10-14, Assessment of Civil Penalty Against the Connecticut Natural Gas Corporation for Pipeline Safety Violations, Compliance with Order No. 2

Dear Mr. Gaudiosi:

Connecticut Natural Gas Corporation ("CNG") submits this letter to the Public Utilities Regulatory Authority ("PURA") in compliance with Order No. 2 of the Notice of Violation, issued by PURA to SCG on October 26, 2026.

Order No. 2 states:

> *If the Company recovers any or all of the civil penalty prescribed from another source (e.g., a contractor or an insurance company), the recovered money must be returned to ratepayers through the Purchased Gas Adjustment clause. The Company shall file documentation with the Authority, no later than 20 days from the date of receipt of this Notice, showing the amount of money recovered, or if no money will be recovered, a statement to that fact. If the Company has not come to final resolution on this issue at the time of its compliance filing, the Company shall continue to file updates with the Authority every 30 days until it is fully compliant with this order.*

In compliance with Order No. 2, CNG affirms it will not recover any money from another source, such as a contractor or an insurance company.

I hereby certify service of this filing upon all parties or intervenors of record in this proceeding.

Sincerely,

James Nitz
