Apple Evergreen Walk

Services billed separately

AppleCare One
$19.99/mo. until cancelled

Any device in your order that you've selected for AppleCare One coverage will be automatically added to your AppleCare One plan. The payment method you use will be automatically linked to your Apple Account and will be billed the recurring charge starting when your device ships or is picked up in-store or when you add your first device to AppleCare One and a payment is successfully processed. Plan will automatically renew every month until cancelled. Cancel anytime in Settings > Apple Account or in the Apple Support app at least a day before each renewal date. Applicable fees and taxes will be applied at time of charge.

Your personal data is used by Apple and shared with third parties to help provide you with the support and service you are requesting under your AppleCare plan. Apple may also use information about your Apple Account, Apple devices you've owned, and your interactions with Apple and claims with AppleCare to provide you with recommendations and assess your eligibility.
