Docket No. 26-10-02 Public Educational and Governmental Programming and Education Technology Investment Account (PEGPETIA) Grant Program Application & Itemized Budget

Dear Executive Secretary,

On behalf of the Town of Groton – Groton Municipal Television (GMTV), I am respectfully submitting our PEGPETIA Grant Request to the Public Utilities Regulatory Authority (PURA).

The Town of Groton - GMTV is submitting our grant request as a Public, Education, Government Access studio operator as it is more than a PEG programmer. As per PURA Final Decisions and MOUs related to Docket Numbers 05-06-10RE01 and 11-02-05, the Town has assumed responsibilities of Government and Education Access for the Town and City of Groton. The Town receives no annual CAP funding and provides indirect financial relief to the current CAP provider for the Groton franchise by funding its own government and education staff, facilities, and channels for the largest town in the franchise and should be considered a government access studio operator for this grant application proceeding.

Attached, please find the Town of Groton – GMTV's application and itemized budget. If you have any questions regarding our application please feel free to contact me. The Town greatly appreciates the opportunity to participate in the PEGPETIA program.

Respectfully,

John Burt
