This is a printable extract, not a Dell-issued quotation or order confirmation. The unmodified saved vendor HTML is embedded as a PDF attachment. Price and configuration are from that saved listing; tax treatment, bulk stock, delivery and any separate service charges require confirmation. Purchase controls in the saved page include a technical-error message; this extract does not establish availability.

Application calculation (prepared by BLASS Robotics): 20 x $599.99 = $11,999.80, before any applicable tax or additional charges.
